

Wagstaff Inc. Purchase Order Quality Clauses

* Acceptance of order requested within 24 hours.

* Early Delivery. Seller shall not deliver any item(s) earlier than two weeks prior to the contract dock date without Wagstaff's written consent. Wagstaff may return early or excess shipments to Seller at Seller's sole risk and expense.

* Kobe Steel Ltd., KOBELCO. Kobe Steel USA, KOBELCO Welding Business and Subsidiaries and Affiliates Restriction. No equipment, material or any products manufactured or otherwise produced by Kobe Steel Ltd., KOBELCO. Kobe Steel USA, KOBELCO Welding Business or any subsidiary or affiliate shall be supplied/delivered as part of this Purchase Order. This restriction includes the use of any products or material that may be incorporated into any equipment and/or material that is to be supplied/delivered as part of this Purchase Order.

* Unless otherwise specified, all materials, components, and parts, required by the Order, including those permanently installed into systems, subsystem, and/or assemblies, shall be new and unused. Refurbished, rebuilt, or modified items are strictly prohibited unless specifically authorized by Wagstaff.

* SELLER and its sub-suppliers shall maintain sufficient control to prevent the procurement, installation, use, and delivery of materials and equipment that contain or exhibit suspect or counterfeit item characteristics or conditions. Seller is solely responsible for all cost associated with the discovery, removal, replacement, and impoundment of materials and equipment that contain or exhibit suspect or counterfeit item characteristics or conditions.

* Wagstaff Inc., designated representatives and/or customer, shall have access to the supplier's and sub-tier supplier's facilities and records for surveillance, inspection, or audit to assure compliance to the Purchase Order.

* Wagstaff requests all material be identified with the following: 1.) Wagstaff purchase order number, 2.) Item number, 3.) Country of Origin and 4.) Heat/Lot number, as applicable.
